Miramichi welcomes a new internist

(Miramichi) Gary Foley, president and CEO of the Miramichi Regional Health Authority (MRHA) is pleased to announce that a new internal medicine specialist has joined its medical staff. Dr. Alwyn Beetge begins his practice with the health authority this week. "I am delighted to welcome Dr. Beetge to our organization and to the Miramichi," says Foley.

Dr. Alwyn Beetge, internist joins the health authority from Potchefstroom, South Africa where he worked as a hospital internist for the past eighteen years. He completed his medical education at the University of Stellenbosch in South Africa. "I am very happy to be working in the Miramichi and joining a few of my former colleagues," says Dr. Beetge. He says he likes the location, the natural beauty of the area and the modern hospital facility. Referrals to Dr. Beetge are to be made through Miramichi area doctors.

Recruitment is ongoing for additional internists, radiologists, family doctors and a pathologist.
